Dear Tomasz,

The goal of this letter is to support the organizers of the Challenges of Sustainable Development project in Poland” and to declare the involvement of the Cross Creek Initiative, Inc. in the preparation and realization of this initiative.

The Cross Creek Initiative is a non-profit, University of Florida joint venture that has succeeded in seamlessly merging Sustainability Practices with practical, cost-effective and emerging Green Technologies. As an industry leader at the forefront of cutting edge research and development in academia, and with years of proven client-focused consulting experience, our team is uniquely positioned to truly Pioneer the Initiative for Sustainable Solutions.

The breadth of our mission at The Cross Creek Initiative, Inc. spans across private enterprise, government sponsored and directed affairs as well as grass-roots green movements.

Within the cooperation with the ChoSD organizers the Cross Creek Initiative declares to commit the following activities:

- To support the ChoSD organizers in planning and organizing the project, especially by sharing our wide knowledge and expertise in sustainable development and its practical applications;
- To actively promote ChoSD project among all of our members, partners and supporters;
- To help to recruit the high quality course participants from the United States of America;
- To popularize the project effects (particularly publications and case-studies analyses realized within the project);
- To contact ChoSD organizers with the top sustainability experts to engage them as the ‘virtual’ consultants for the practical projects which are going to be realized within the ChoSD course (‘Sustainable Business’ and ‘Sustainable Local Development’ projects);
- To monitor and assess the quality of the didactic process and practical assignments and products (publications, short movies, games, www portal);
- To assist and support organizers in applying for external funds to finance the project;
- To support financially the project with our donation in a sum of 2,000 USD.
